Statutory auditors' report on the increase in capital reserved for employees who are members of a company savings plan

To the Shareholders,

In our capacity as statutory auditors of your Company and in compliance with articles L. 225-135 et seq. of the French Commercial Code (*Code de Commerce*), we hereby report on the proposed delegation to the Board of Directors of the authority to decide on an increase in capital through the issue of ordinary shares with cancellation of preferential subscription rights, reserved for employees who are members of your Company's savings plan and/or the savings plan of the company/companies that are related to it within the meaning of articles 225-180 of the French Commercial Code (*Code de Commerce*), for a maximum amount of €5,000,000, an operation upon which you are called to vote.

This increase in capital is submitted for your approval in accordance with articles L. 225-129-6 of the French Commercial Code (*Code de commerce*) and L. 3332-18 et seq. of the French Labour Code (*Code du travail*).

Your Board of Directors proposes that, on the basis of its report, it be authorized for a period of twenty-six months to decide on whether to proceed with an increase in capital and proposes to cancel your preferential subscription rights. If applicable, it shall determine the final conditions of this operation.

It is the responsibility of the Board of Directors to prepare a report in accordance with articles R. 225-113 and R. 225-114 of the French Commercial Code (*Code de commerce*). Our role is to report on the fairness of the financial information taken from the accounts, on the proposed cancellation of preferential subscription rights and on other information relating to the share issue provided in the report.

We have performed those procedures which we considered necessary to comply with the professional guidance issued by the French national auditing body (*Compagnie Nationale des Commissaires aux Comptes*) for this type of engagement. These procedures consisted in verifying the information provided in the Board of Directors' report relating to this operation and the methods used to determine the issue price of the shares.

Subject to a subsequent examination of the conditions for the proposed increase in capital, we have no matters to report as to the methods used to determine the issue price for the ordinary shares to be issued provided in the Board of Directors' report.

As the final conditions for the increase in capital have not yet been determined, we cannot report on these conditions and, consequently, on the proposed cancellation of preferential subscription rights.

In accordance with article R. 225-116 of the French Commercial Code (*Code de commerce*), we will issue a supplementary report, if necessary, when your Board of Directors has exercised this authorization.
